Your MBA at MU

The **Master of Business Administration (MBA)** is a part-time program designed especially for industry professionals wanting to advance their careers. It concentrates on strategic analysis and planning, interdisciplinary skills, value-based management, and critical thinking. You will advance your knowledge in core business disciplines including **human resource management, organizational behavior, accounting and finance, marketing, operations, innovation and entrepreneurship**. You can further tailor your degree with a **specialization in one of four cutting-edge fields**, or take a mixture of enrichment courses from any specialization for a general MBA. At Modul University Vienna, **out-of-the-box thinking** challenges existing limits and thought patterns, preparing you to **accelerate your career**.
