## MODUL Career

MODUL Career is the exclusive career and networking center for students and alumni of MODUL University Vienna and the Tourism College MODUL of the Vienna Chamber of Commerce and Industry. Its aim is to assist students with finding internships as well as to support them in career planning and development.

MODUL Career has a large number of international partners who offer internship and job opportunities to MODUL students and alumni.

MODUL Career is also a networking platform for alumni of both institutions. Today, the MODUL Alumni network consists of over six thousand graduates who currently occupy leading positions all over the world. The network offers industry contacts and the possibility to exchange knowledge and experience.
