Decided on July 3, 2023, by the University Senate

Due to the accreditation as a private university (decision of the Austrian Accreditation Council on 12 July 2007 according to the university accreditation law, BGBl. I No. 168/1999 as amended), the University Board of Modul University Vienna decreed the following study regulations on 5 July 2016 based on § 3(1) of the Private University Law.

§ 1 Ambit

These study regulations define the admission criteria, the structure, and the examination requirements for the Master of Business Administration program at Modul University Vienna.

§ 2 Goal of the Master Degree

The master degree is awarded at the completion of academic studies and signifies career qualifications. Examinations taken throughout the program and the evaluation of the final master thesis and its defense determine whether the student has acquired the necessary professional, scientific, and theoretical knowledge to solve complex professional and scientific problems. Graduates of this program have gained proper leadership skills including personal and social competences. The graduates should have the ability to both critically interpret and apply scientific findings.

§ 3 Degree of Completion

After the successful completion of the study program, the following academic degree will be conferred:

Master of Business Administration

The short form of the degree is: **MBA**

§ 4 Admission to the Master Program

The prerequisites for admission to the study program are:

- (1) Proof of an undergraduate university degree with a minimum duration of three years or completion of an equivalent degree relevant to the content of the study program.
- (2) A minimum of three years of professional experience in a responsible position.
- (3) In exceptional cases, admission of persons who do not hold a university degree is possible if they can provide proof of an equivalent qualification due to their professional experience and achievements. In this case, proof of a secondary school leaving certificate has to be provided, additionally to extensive experience of more than eight years in a responsible position.
- (4) If the admission to the study program is based on a degree from another university that is not subject to Austrian higher education law (e.g., foreign educational institutions according to § 27 HS-QSG), the credits that have been transferred from another education provider during the course at this university may be checked to determine whether the qualifications acquired through credit transfer differ from the learning objectives of a comparable bachelor's degree at MU Vienna. Upon request, the applicant must provide the documents required for this verification: (a) name of institution; (b) program title; (c) hours of work; (d) course description (syllabus); (e) reading material; (f) proof of examinations. Criteria for assessing the existence of significant differences are: (a) level of qualification, (b) learning outcomes, (c) study workload and (d) quality of the program leading to a degree.
- (4) Academic documents that are not in the German or English language must be accompanied by a certified translation.
- (5) All applicants whose first language is not English must provide evidence of their knowledge of the English language through one of the following tests taken within the previous two years. The minimum scores are:
 - TOEFL: 570 paper-based test (PBT) or 230 computer-based test (CBT) or 88 Internet-based test (IBT), or

- IELTS: overall band score 6.5 (no sub-score below 6.0), or
- CEFR (Common European Framework): C1+, or
- Cambridge Certificate CAE or BEC (Grade A).

The Admissions Committee may grant exceptions, if an applicant proves that they have completed at least two years of secondary or higher education in the English language or has passed another language proficiency test with scores at least equivalent to the above. The Admissions Committee may decide upon the recognition of other evidence of language skills if they are at the same level.

(6) Additional Documents required for Admission:

- a) Résumé and motivation letter,
- b) Two references from an academic or professional institution or person.

(7) When deemed necessary, the Admissions Committee may conduct an interview with the applicant, either in person, on the telephone, or via video chat. It serves to clarify unanswered questions raised during the application process and to check if the applicant's expectations, personality profile, and their knowledge of English are in line with the program's offerings.

(8) Credit transfer applications must be submitted together with the admissions documents.

(9) The Admissions Committee makes a decision regarding the admission to the study program once the candidate has submitted a complete application.

- (6) The master thesis consists of a written paper and an oral defense. The master thesis and the oral defense will be assessed and need to be passed separately. In addition, the supervisor will provide an overall grade in which the paper makes up 80 percent and the defense makes up the remaining 20 percent of the overall assessment.
- (7) If a student or a group of students are unable to find a suitable topic, the Dean will assign them to a lecturer who will then assign a topic.
